MISSION

SAO Business Services, LLC is a dynamic, small woman-owned consulting firm dedicated to empowering businesses and organizations through a unique blend of experienced leadership, innovative solutions, and cutting-edge generative AI technology. We are passionate about helping our clients achieve their goals, overcome challenges, and thrive in an ever-evolving landscape.

LEADERSHIP

Susan O'Hara, PMP, ITMLE, AIPPM, founder and CEO, brings over 28 years of experience in diverse fields, including government, entrepreneurship, project management, and social impact initiatives. Her impressive track record of success includes leading large teams, driving operational excellence, and spearheading impactful change. Additionally, Susan's expertise in generative AI adds a powerful dimension to SAO's offerings, allowing for creative problem-solving and innovative solutions.

SAO BUSINESS SERVICES

OUR SERVICES

Generative AI

We are pioneers in integrating generative AI into our own consulting services. We leverage tools like Chat GPT, Gemini, and Dall-E to generate creative content, automate repetitive tasks, personalize client experiences, and help you excel.

Contract Proposal Review

With years of experience performing technical evaluations on contract proposals, we use our experience to find hidden areas in your proposal to get you ahead of the game!

Project Management Consulting

We are certified project managers with years of skills, and can help you set up or review complex projects to ensure your projects are more likely to be on-time, on-budget, and exceed your expectations.

Strategy Development

We collaborate with clients to define clear goals, develop strategic roadmaps, and implement tailored plans for success.

Meeting Facilitation

We ensure your meetings are focused, efficient and acheieve set outcomes with our expert and courageous facilitation services.
